To our valued customers,

Please be advised that we are writing to communicate that our catalogue pricing will be reviewed, and changes will be implemented for the 1<sup>st</sup> of January 2025. With one month to go in the year it is a great time to take advantage of ordering products at the existing price before changes are made.

Pricing updates will be catalogue wide and we will be looking at movement in a number of areas including Refrigeration Equipment, Parts, Copper, Refrigerant and Air Conditioning Equipment.

We encourage customers to log in and review pricing via the Beijer Ref RefShop or contact your nearest branch / representative for more information. Please note all quotations will remain valid for 30 days.

We appreciate your ongoing business and support.

Best regards,

The team at Beijer Ref Australia
